

# UPDATED COVID POLICIES

## April 2022

1. Masking is now optional for all students.
2. If YOU OR ANYONE in your household has tested positive for Covid-19, we ask that you please schedule a make-up class! Your child may return when they have fully isolated from the covid positive individual for 5 days and received a negative test.
3. If your child has tested positive for covid they may re-enter the gym when they have completed the 10-day quarantine from symptoms or positive test.
4. One spectator per child may watch from the waiting area
5. Please do not arrive more than 5 minutes before your class.

We are mindful that although Covid-19 is the main focus, other colds and flus are still being passed around. If your child is sick but has tested negative for Covid we ask that they are FULLY SYMPTOM FREE before returning to the gym. This includes coughs, runny noses, fevers, ect.

The health and safety of all our gymnasts, coaches and families remain our top priority and we are grateful for your cooperation as we continue to navigate these unprecedented times.
